-
- Generated agenda for October 25 meeting
 1. [Review OpenSG EIM Task Force Use Case Template](#) (example)
 2. [Review list of use cases](#)
 3. [Review revised list of actors and actor function](#)
 - Archimate update
 - The meeting did not take place with Adnaan, Joe, and Jerry last week.
 - It will try to be rescheduled this week.
 - EIM Requirements contributions are needed
 - At the July Face to Face it was noted that contributions from members would be noted during the bi-weekly meetings.
 - Start discussing agenda for Face to Face meeting
