Agenda

1. Review Agenda / Call for Items of Business
2. Old Business
 - a. Perspectives and Insights
 - i. Call for presenters and suggested topics
 - ii. Submit name & ideas to SG Security leadership (Chair, V.C., Sec'y)
 - b. Charter – The charter was approved.
 - c. Subgroup updates
 - i. AMI Security Profile revisions – The Chair stated that group is hoping to have version 1.9 for review prior to face-to-face next week.
 - ii. Third Party Data Access Security Profile review – The Chair stated that he will get members in touch with Ram (GE) for members that want to participate. This activity fits in with NIST PAP 10 – Pricing to Customer. The 3PDA (Third-party Data Access) Profile was developed to address security concerns for granting customer's energy usage to third-parties from the utility.
 - iii. SGSec-Risk – The Chair stated that he hasn't heard anything from this group for a couple of weeks. They have had one meeting so far. No update.
 - iv. Lemnos – Brian Smith reported that there is a directory on the SG Security SharePoint. There has been discussion about the requirements to start a full blown task force.
3. New Business
 - a. OpenSG Q2 Face-to-Face meeting
 - i. May 3-6, Ritz-Carlton Tysons Corner (McClean, VA)
